RE: Amended Resolution Request (2024-123)- Youth Wellness Support Microgrant Program

The Dutchess County Department of Mental Health is requesting an amendment to Resolution 2024-123, originally passed in July 2024. The purpose of this amendment is to update the language in the original resolution for clarity and accuracy. The resolution currently reads, "Whereas, DBCH seeks to appropriate $200,000 in restricted-use opioid settlement funds to establish a microgrant program for community-based non-profit organizations or municipalities to provide support, treatment and/or prevention of substance use and co-occurring mental health challenges in children and young adults (under age 25)". We are requesting that it be amended to read, "Whereas, DBCH seeks to appropriate $200,000 in restricted-use opioid settlement funds to **establish a microgrant program for community-based agencies/organizations, non-profit organizations or municipalities** to provide support, treatment and/or prevention of substance use and co-occurring mental health challenges in children and young adults (under age 25)", clarifying that both community based agencies and non-profit organizations are eligible to apply.
